

Company Biography

saidWot is a registered company and part of the Ventureweb Group, which was established 10 years ago. Although it benefits from collaboration with sister company Virtuosa, saidWot's core business focus is the saidWot online reputation management tool which has been developed over the last two and a half years.

The saidWot application is currently in its second release with the first version launched in June 2008. saidWot is under directorship of IK Rubin and ML Jankelow, who are also shareholders in the company.

The company is based in Fourways, Johannesburg, South Africa and may be contacted on:
